

Hospitality Cleaning Solutions

Check in to excellence.

Feeling better than at home.

Matching guest expectations with ultimate cleanliness.

When your guests check in, their comfort, safety, and peace of mind rest on one vital expectation: spotless cleanliness. What they feel upon opening the door to their hotel room for the first time is what separates you from competition. In hospitality, cleanliness is not a luxury — it's an expectation. Exceeding it has never been easier.

Vileda Professional understands the complexity of delivering superior cleanliness and hygiene in hotels. That is why we deliver not just a range of products, but complete cleaning solutions that enable people to work smarter, not harder, achieving new levels of cleanliness in the most efficient way.

Highest standards

Achieve Excellence
Set the standards High-performance microfibre cleaning solutions for superior cleaning results.

Enhance hygiene
Proven bacteria and virus removal of up to 99,99% certified by external laboratories.

Make people work smarter
Certified ergonomic products help preventing musculoskeletal disorders, reducing worker downtime and enhancing occupational safety.

Operational costs

Save time
Durable and efficient cleaning systems to reduce cleaning time and provide long-lasting performance for a fast return on investment.

Save money
High end flat mops cut cleaning time by 50% compared to string mops.

Make people work easier
Lightweight utensils to minimize strain and opt for pre-impregnated methods to eliminate the need for heavy water buckets and draining.

Sustainability

Awarded quality
Sustainable cleaning solutions made from up to 100% recycled materials certified the Nordic Swan and Plastica seconda vita label.

Highest durability
Long-lasting cleaning solutions (up to 500 washes) lead to less waste.

Make people save resources
Lower your environmental footprint by saving water, energy and chemicals whilst achieving superior results.

Cleanliness obstacles in hospitality

Hotels face unique cleaning challenges that go beyond standard upkeep.

High-traffic

Lobbies, elevators, and public spaces require frequent cleaning to manage the accumulation of dirt, debris, and germs.

No time

Housekeeping teams often have limited time to deep clean each room while ensuring no detail is overlooked.

Health & safety

As hygiene expectations rise, especially post-pandemic, hotels must ensure every surface is properly disinfected to maintain guest trust.

Surfaces & materials

From delicate fabrics to hard surfaces, hotels must tackle different cleaning needs with the right products to avoid damage or inadequate results.

Addressing these challenges high-performance cleaning solutions create superior hygiene efficiently, sustainably and ergonomically across all surfaces.

Hotel Director

Expects cleaning solutions that consistently deliver the highest standards of hygiene, ensuring positive reviews, repeat business, and compliance with industry regulations.

Purchasing Manager

Responsible for balancing quality with budget, they expect efficiency, ease of ordering, and products that meet both performance and price requirements without compromising on quality.

Complex expectations.

Maintaining a clean and welcoming environment in a hotel requires the cooperation of many stakeholders, each with their own unique needs and expectations. Why not exceed them all?

Housekeeping Manager

Expects versatile, high performance and eco-friendly cleaning products that make it easier to manage teams and efficiently maintain a high standard.

Cleaning Staff

They expect user-friendly products that are safe, effective, ergonomic and easy to use on a variety of surfaces.

Designed to make stars
shine brighter.

The best offer for you

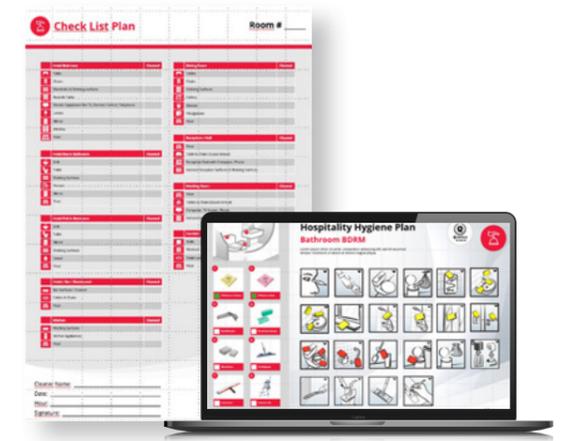

We can tailor the best offer for your business. With specific products that meet all your needs, with high standards of hygiene, ergonomics, sustainability and profitability.

Training and support

Get it right the first time
Our premium products come with better customer support and comprehensive warranties, ensuring that any issues are promptly addressed.

Make people work on the spot
We train your cleaners in the best use of our products, help to implement hygiene protocols and ensure compliance with established standards.

Thoughtfully designed for every area

Entrance

Hotel room

Conference room

Sanitary room

Kitchen

Elevator

Swimhall / Spa

Fitness studio

A sense of leadership in every solution.

Manual Tools

Use when the area to clean is small and does not allow the use of more efficient tool sets (e.g., curves of WCs or taps).

Tool sets

Use always if it's possible to improve results and reduce time & effort.

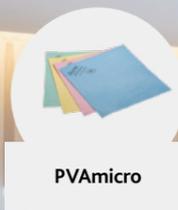

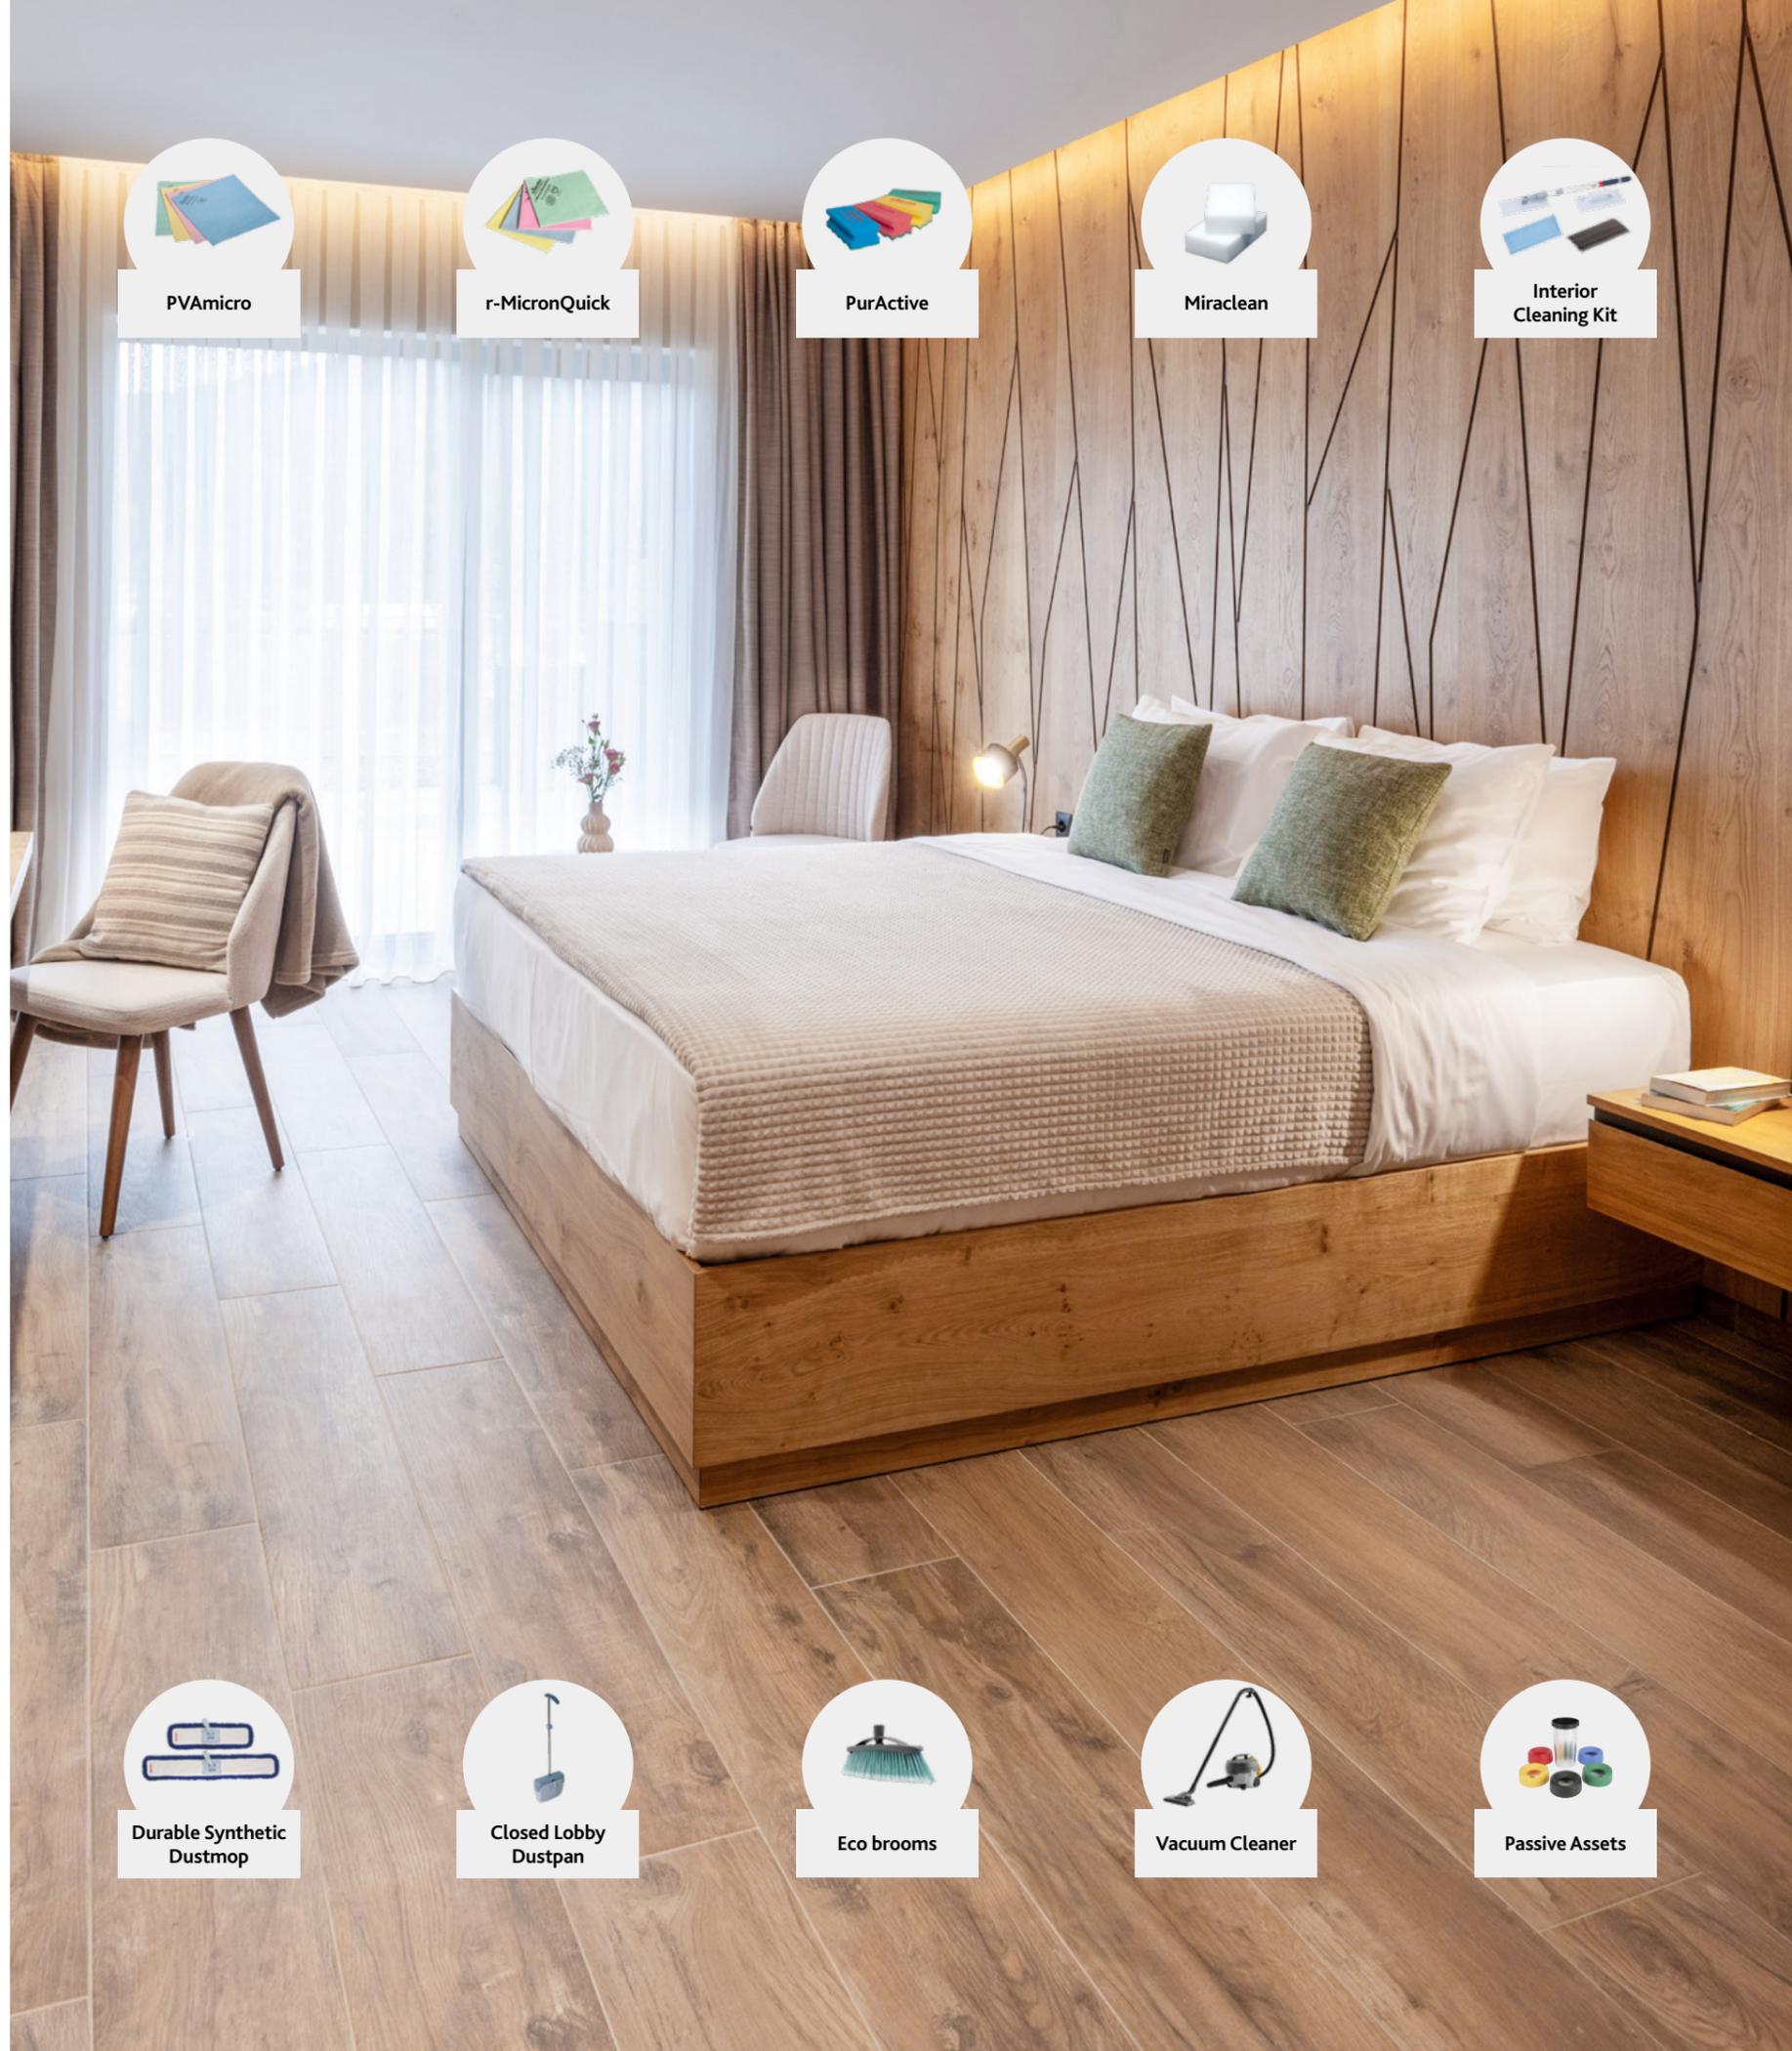

Cleaning trolleys
